The Board is made up of a maximum of 9 directors and up to 2 Community Council appointees. One third of directors must retire each AGM. Directors are elected for 3 years (a term) directors can serve for 2 terms. 33.4 of our Articles of Association states that no Director can serve more than 2 consecutive terms of office without at least one year out of office before being eligible again, unless approved otherwise by members at a general meeting.

This means that there are 3 vacancies for directors. Co-options are also available to increase the mix of skills.

The Board is really keen to encourage fresh blood and strongly urges members to put their names forward for election to the board if they have the skills and a little time to make a contribution to their community.

Nominations for directors require to be received 7 days before the AGM on 25th November 2025. Nominations must be in writing and signed by 2 members with the nominee confirming their willingness to stand. Nominations should be sent to scdt@strathblane.online or sent to Strathblane Village Club, 20-22 Glasgow Road, Blanefield, Glasgow G63 9BP.
